The northbound lane of Fee Lane will be opened for next school year, which would make the A route shift back to making the old full loop around campus. The B Route proposal would be to shift to 3rd St. and Indiana and then turn on Atwater proceeding to Jordan Avenue. The next proposal would be to combine the D and E route. 10th St. from Jordan to Union would be the only service that this proposal would eliminate. The X route would change to making only one stop at the corner of Woodlawn and 7th Street. The last proposal would be to eliminate class break service. The STB approved the conceptual changes package by unanimous consent. Perry advised that there will be a public comment period before the next STB meeting were a final vote will be taken on the service options.
